**Memorial Day**  
*by Ruth A. Puls, Interim Pastoral Leader*

You would like Codey.

He's a nice looking guy with a quick smile and great stories. He's all heart...a young, strong guy whose face lights up when he tells of Christmas with his grandmother.

He speaks of virtues...duty and honor. He loves his family and he loves his country. He also loves my niece and they are to be married this December.

While other twenty something's can tell great stories about spring break on the beach, Codey can tell you something about the sands of Iraq and Kuwait. He is a Marine. Codey was in a Humvee that hit an IED...an improvised explosive device in Afghanistan. He sustained a number of injuries and is receiving medical treatment now in Germany.

Memorial Day will have special meaning for my family this year because of him.

Codey is remarkable not because he was injured but because he was willing to pay the cost for what he believes. This Memorial Day weekend I ask that you pray for Codey. And I ask you to pray for those who serve or have served our country in the cause of peace. We hold in a special way those spouses, children, friends, moms, dads and family members who stand and wait for safe return of loved ones. We remember all those who have paid for our freedom with their lives. We pray for an end to war.

And if you have an extra prayer, pray for my niece Genna. She just wants her fiancé home.

God bless our nation with peace and each of you with a blessed Memorial Day.
